SAFE TEEN DRIVERS HAVE INVOLVED PARENTS

Driver Education Parent/Teen Night

Teaching a teen to drive may be frightening, but it's not as scary as what could happen if you don't monitor your teen's driving. These national statistics show that when parents stay involved, their teens are more likely to exhibit safe behaviors.

Join us for a parent/teen night to learn how you can help your teen be a better driver.

Definition of the second secon

70% less likely to drink and drive

HALF as likely to speed
